

MY SCHOOL TRIP

I went to Paris on 26th January with my friends and teachers. We arrived in Paris at 10.00 in the evening. When we were in the airport, a chewing gum stuck on my trousers, it was disgusting.

We slept in a hostel, it was very bad. We visited Notre Dame, the Eiffel Tower, The Louvre, The Defense, The Opera and some other monuments. One night we sailed in a boat in the river Seine. We had some difficulties because on the flight back there was some turbulence. On the trip we travelled by plane, by bus, by boat and by subway.

I liked Paris very much because it is beautiful and the Eiffel Tower is impressive!
